**Have you heard the "buzz?"**

**"Great event...maximized my time... productive for my business...very successful!"**

**Secure more leads in two hours than most do in one month!**

Prepare your "elevator speech," bring plenty of business cards, and we'll prepare your dance card. You'll proceed through a series of facilitated roundtable introductions to maximize your time. These purpose-driven meetings keep you on target to achieve your networking goals.

**Advance registration required. Limit: one representative per company & 10% representation per industry.**

**Registration closes on Tues., June 15, 2010 at 5 p.m.**

Members can register on-line at: [www.longislandassociation.org](http://www.longislandassociation.org)

"As an LIA member, I feel that it is my responsibility to tell you and other prospective LIA members that the Turbo networking events have brought me more than I could have ever imagined. Through these events I was fortunate enough to land an account at one of the larger firms on Long Island that I otherwise may have not had the opportunity to introduce myself to. I hope to continue growing my business through the LIA and look forward to many more successful networking events."
